

FRIDAY - 10 February 1950

25X1A

1. Met with [REDACTED] and Major Driver, OPC, and Col. Smith, ID, GSUSA, to discuss the utilization of Regular Army personnel on overseas covert assignments. It was determined that the appropriate place for these discussions was at the Adjutant General's office.

25X1A

2. In connection with the request of Mr. [REDACTED] OPC to take action to shorten the waiting period for citizenship of a man whom OPC desired to utilize, it was determined that for reasons of security and otherwise, it was not feasible to attempt to push special legislation which would have remote possibility of success. The Director has concurred in this opinion, and Mr. [REDACTED] has been so notified.
